RE: Provider Network Required Policies and Procedures

NOTIFICATION DATE: 12/05/2011

MHP just completed its Annual Conformance to Quality Report for CARF. Due to 2011 CARF accreditation changes in regards to unauthorized use and possession of weapons MHP has made edits to its current Provider Network Required Policies and Procedures as well as the Provider Monitoring and Oversight Policies and Procedures Checklists. Both documents are attached and changes highlighted.

It is the responsibility of **ALL** providers to ensure that their current policies reflect this change.

Thanks for your attention to this and if you should have questions, please contact your Provider Relations Liaison.
